

The Bitcoin Podcast: Everything You Need To Know...

Bitcoin, crypto-currencies, and block-chain applications are the single biggest technology revolution we've seen since the invention of the cell phone.

It is changing everything, and with that kind of disruption comes a once-in-a-lifetime investment opportunity... IF... You can pick the winning applications and avoid the rest. Think of it as the Dot-Com Bubble 2.0.

Fortunes can be made if you're smart, and lost if you aren't.

Well to help us navigate the world of Bitcoin and crypto-startups we're joined by Teeka Tiwari, the most respected investment researcher in the space.

Teeka's investments have produced an average return of nearly 30 to 1, and he's here today to help us understand the technology, the opportunity, and the risks...

Is it too late to invest?

How high will Bitcoin go?

Why did China recently shut down all of their crypto-exchanges, and will the US eventually do the same?

You'll learn all of that and more today on this incredibly valuable episode with Teeka...
