

Into Bitcoin? Don't Miss This Webinar Tonight...

First and foremost, thank you all so much for the awesome feedback many of you sent in about this week's [Bitcoin podcast with Teeka Tiwari](#)... It received more than 10,000 downloads in the first 36 hours!

Obviously Bitcoin is not a normal topic here on the podcast or in my newsletter, so this will likely be the last time I bring it up. With that being said, I know that MANY of you are involved in the space, as have I since 2012.

1 Bitcoin equals

7033.61 US Dollar

The opportunity is substantial, but so are the risks.

If you want to learn how to maximize your upside, and reduce your downside in the space, make sure you jump on this [training webinar Teeka is hosting tonight](#).

He'll be focused on the trends and risks to look for here as we enter 2018 now that the first options/futures exchange has been approved by the CFTC here in the US. This is going to allow the major Wall Street players to participate in the crypto market for the very first time next year.

Rumor has it that Vitalik Buterin, (the Founder of Ethereum) will be making a guest appearance as well to share his insights.
